New Haven

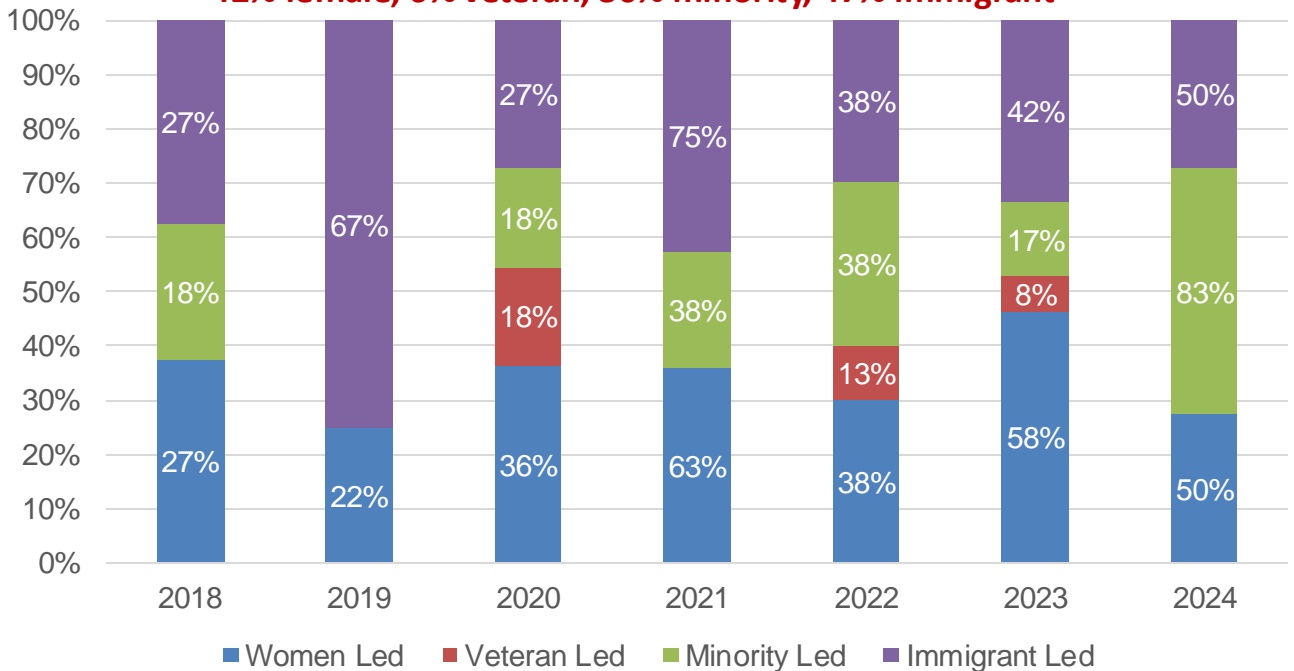

Average Number of Connections Created for Each Venture

ABCT Building a Diverse Technology Ecosystem (2018 – 2024)

ABCT Supports a Diverse Founder Demographic 42% female, 6% veteran, 30% minority, 47% immigrant

JPMORGAN CHASE & Co.

Medical Device Consulting

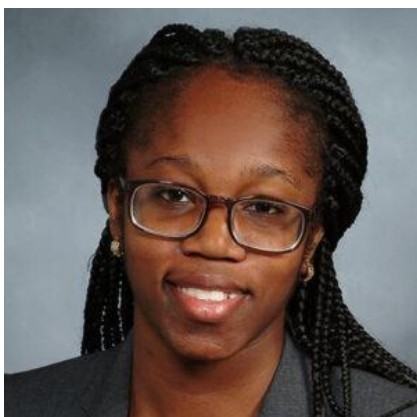

“Workshops were very helpful. I like the community building aspects to many of the events and activities. It makes us feel less isolated and help us learn from each other in the cohort (and from more seasoned entrepreneurs). ”

Julien Berro, Nanochuk

“I enjoyed the networking and roundtables.”

Vanessa Sena, My Local Chefs

“I think roundtables and workshops were the most helpful.”

Prisca Obi, Virtus Therapeutics

Accelerator for Biosciences in Connecticut, ABCT

- CT's only **competitive-entry bio founder-focused** accelerator
